

New Balance **FRESH FOAM** Cremorne Mid

New Balance Fresh Foam Cremorne MID introduces Fresh Foam midsole technology into safety shoes, merging high end performance R&D into the industrial footwear space for the first time. Adding EH protection, composite toe and slip and heat resistant outsole, coupled with the MID cut padded collar for ankle support and protection. Fresh Foam Cremorne meets the comfort, fit and protection a long days work deserves. New Balance FRESH FOAM performance midsole technology ensures uncompromised support, cushioning and flexibility. Providing a modern and light go-to option for those wanting long-lasting durability in their work shoes, while not compromising on comfort and style. COMFORT WHILE YOU WORK.

⇒ With added electrical hazard protection, these non-conductive shoes have been designed with an additional form of protection from hazardous steps.

⇒ The outsole is designed with a unique tread pattern that can better grip wet, slick or oily floors.

FRESH FOAM

⇒ Engineered for precision comfort, Fresh Foam provides an ultra-cushioned and lightweight ride.

⇒ The outsole is heat resistant to very high temperatures (up to at least 300°C for 60 seconds).

Toe Protect

⇒ Reinforced toe tip designed to help protect the toes.
