

# MEGA BITE ECO

## DESCRIPTION

MEGA BITE ECO is a heavy-duty hand cleanser. With an affective combination of surfactants, a natural scrubbing agent of olive kernel powder and rape seed oil for heavy dirt removal.

It has been carefully tested and proven safe to both healthy and damaged skin. Soap and solvent free with moisturizing properties and skin natural pH-value.

## PROPERTIES

- Perfectly combines high cleaning power with good skin compatibility and environment soundness
- Especially suitable for the removal of heavy dirt e.g. oil, grease, graphite, soot, metallic dust etc.
- Combination of very mild surfactants, produced from sustainable sources
- The cleaning effect is supported by olive kernel powder whose grain structure and fineness is especially adapted. Due to its low specific weight, blockages of drains and pipes are not to be expected
- The content of rape seed oil supports the cleaning effect and helps to prevent skin irritation due to its lipid-balancing effect
- Do not interfere with the skins natural pH
- Human patch test (cosmetic trial) has been conducted with the result that the product is to be classified as 'harmless' as regards the possibility of skin irritation
- Included in the Green Line premium product range
- High % of Readily Biodegradable content

## FIELD OF APPLICATION

Especially suitable for removal of heavy dirt in:

- Maintenance and reparation.
- General industry & construction.
- Automotive, service, garages, workshops, coachworks.
- Metal industry & paint industry
- House and garden.

## USER INSTRUCTIONS

Apply Mega Bite Eco evenly on dry hands. Massage the cleanser adding a little water. Continue washing until the dirt is dissolved and then rinse off with plenty of clean, running water.

Always use a skin protection or skin care product after cleaning hands.

## Note!

Avoid contact with eyes. If in eyes, rinse thoroughly with plenty of water. Olive kernels are organic matter so the colour of the product may vary.
